

Great Location

The Wharf Hotel, San Francisco, USA

The hotel has a great location and we were able to do everything that we wanted to in our long weekend. Staff was great! Room was on the small side, but good beds and a window that opened made up for that. We did have to move after the first night because of alot of noise from the Street. Trunks unloading from 2am until 6am so if you are a light sleeper you might want to ask for an inside room. Also no Restaurant or Bar. Great Fire Pit but without a drink it was not as fun. Safeway is 2 blocks away and we found that a cheap way to have a glass of wine.
