

Nice little hotel in the heart of Deira

The Deira Hotel, Dubai, UAE

This is actually a very nice little hotel in Deira. The rooms are quite nice and the staff is very friendly. Make sure you don't get a room on the first 3 floors because it can get very loud as the restaurants in the mezzanine floor blast their music till the wee hours of the morning. There are a few very good restaurants there one is Sorba the greek restaurant where they have a performances every night and Escoba and very good Arabic restaurant where there are singers and belly dancers... very good looking belly dancers. They also have Miyaku an original Japanese restaurant where most of the Japanese in Dubai dine. Well in the top floor you have a nice bar with sexy waitresses, its nice atmosphere. I recommend the hotel, but the truth is that in Dubai you take pretty much any hotel you can find, they are almost always full.
